

## JANE TURNER

Jane Turner is best known as co-creator of the multi-award winning comedy series "*Kath & Kim*", and for her portrayal of the foxy *Kath Day-Knight*. The show premièred on ABC TV in 2002, and quickly became an icon of Australian popular culture. The fourth series, which began on Channel 7 in 2007, attracted an Australian audience of 2.521 million, making it (at the time) the highest rating first episode in the history of Australian television.

*Kath & Kim* has become a pop culture phenomenon, and is a success with audiences nationwide. Internationally, the series has spawned a cult fanbase, and an American version has now been made. The show has been nominated for a British Comedy Award, has won an Australian Comedy Award and three Logies for "Outstanding Comedy Programme" and two AFI awards for "Best Television Drama Series".
